

AVENA LIPID

PRODUCT # 206889

A UNIQUE NATURAL OIL

PRODUCT DESCRIPTION

- ❑ INCI name: Avena Sativa (Oat) Kernel Oil
- ❑ Clear, lightly colored oil with a mild natural odor
- ❑ Recommended usage level: 0.5 - 5%

BENEFITS

- ❑ An extract of a proprietary huskless species of Avena Sativa: AvenaLipid
- ❑ Extracted by a Super Critical Fluid (SCF) extraction process that retains the biologically active compounds found within oat oil
- ❑ Has stabilizing properties in emulsions and oils
- ❑ AvenaLipid has a high storage stability due to the high content of antioxidants (flavonoids, phenols, tocopherols)
- ❑ A high value plant oil rich in unsaturated fatty acids and natural antioxidants

APPLICATION

- ❑ High-class skin care products
- ❑ Baby products
- ❑ Sun products
- ❑ Massage oils
